PEAK BODY DAY HOSPITAL SECTOR

Day Hospitals Australia is recognised as the peak industry body representing over 70% of the day hospital sector. Our total membership number of 332 includes:

- Day hospitals
- Small overnight facilities (< 100 beds)
- Associate members
- Preliminary members (day hospitals under development)
- Industry members
- Individual members

Day Hospitals Australia is invited to participate on multiple Government Committees and Industry Working Groups across the country providing the opportunity to impact and influence the future direction of the healthcare industry.

Day Hospital Australia provides members with representation, advocacy and support on matters impacting the day hospital sector and the overall health system.

It is the strength of our membership that provides us with the unique opportunity to influence and challenge activities within the sector, to ensure its long term sustainability.

MEMBER SAVINGS

STAY INFORMED

All members receive a weekly electronic Bulletin which contains up to date information on key activities, updates and outcomes from within the sector. It is the primary source of information for members to ensure that you are kept well informed on current topics.

DAY HOSPITALS AUSTRALIA WEBSITE

One of the many benefits of membership is access to the Members Only section of the Day Hospitals Australia website. Our website is designed to provide members with access to regular updates and activities, multiple resources and toolkits to support you in your business.

In addition, we have a dedicated page of Partners & Industry Members who support the day hospital sector. Many of them offer Day Hospitals Australia members incentives and discounts for a broad range of products, services and technologies.
