12.10 Valid proceedings

Each resolution passed or action carried out, or with the participation of, a person acting as a Director or Member of a committee is valid even if it is later discovered that:

13.8 Accidental omission

14. PROCEEDINGS AT MEETINGS OF MEMBERS

14.1 Member present at meeting

If a Member has appointed a proxy or attorney or (in the case of a Member which is a body corporate) a representative to act at a meeting of Members, that Member is taken to be present at a meeting at which the proxy, attorney or representative is present.

A Member that is a body corporate may appoint an individual to act as its representative at meetings of Members as permitted by section 250D of the Act.

A proxy or attorney has no power to act for a Member at a meeting at which the Member is present:

- (b) in the case of a body corporate, by representative.

15.7 Priority of conflicting appointments of attorney or representative

If more than one (1) attorney or representative appointed by a Member is present at a meeting of Members and Day Hospitals Australia has not received notice of revocation of any of the appointments, then an attorney or representative appointed to act at that particular meeting may act to the exclusion of an attorney or representative appointed under a standing appointment.

15.8 More than one (1) current proxy appointments

An appointment of proxy by a Member is revoked if Day Hospitals Australia receives a further appointment of proxy from that Member which would result in there being more

than (1) proxy of that Member entitled to act at a meeting. The appointment of proxy made first in time is the first to be treated as revoked or suspended by this rule.

15.9 Continuing authority

This rule replaces section 250C(2) of the Act.

An act done at a meeting of Members by a proxy, attorney or representative is valid even if, before the act is done, the appointing Member:

- (a) dies or becomes mentally incapacitated;
- (b) becomes bankrupt or an insolvent under administration or is wound up; or
- (c) revokes the appointment or the authority under which the appointment was made by a third party,

If an equal number of votes are for and against a resolution at a meeting of Members and:

- (a) the Chair is a Voting Member, the Chair has a casting vote, except in the case of an election under rule 4.2(c) then the matter is decided in the negative; or
- (b) the Chair is not a Voting Member, the matter is decided in the negative.

16.3 Voting restrictions

If:

- (a) the Act requires that some Members are not to vote on a resolution, or that votes cast by some Members be disregarded, in order for the resolution to have an intended effect; and
- (b) the notice of the meeting at which the resolution is proposed states that fact,

those Members have no right to vote on that resolution and Day Hospitals Australia must not count any votes purported to be cast by those Members. If a proxy purports to vote in a way or in circumstances that contravene the instructions on the proxy appointment:

- (c) on a show of hands, the vote is invalid and Day Hospitals Australia must not count it; and
- (d) on a poll, rule 17.3(c) applies.

16.4 Decision on right to vote

This rule replaces section 250G of the Act.

A Member or Director may challenge a person's right to vote at a meeting of Members. A challenge may only be made at the meeting. A challenge, or any other doubt as to the validity of a vote, must be decided by the chairman at the meeting, whose decision is final.

17. HOW VOTING IS CARRIED OUT

17.1 Method of voting

This rule replaces sections 250J(1), (1A), and (2) of the Act.

- (b) A resolution put to the vote at a meeting of Members must be decided on a show of hands unless a poll is demanded under rule 17.2 either before or on declaration of the result of the vote on a show of hands.
- (c) Unless a poll is demanded, the chairman's declaration of a decision on a show of hands is final.

17.2 Demand for a poll

As outlined in section 250L of the Act:

A poll may be demanded on any resolution (except a resolution concerning the election of the chairman of a meeting) by:

- (a) at least five (5) Voting Members entitled to vote on the resolution; or
- (b) Voting Members with at least 5% of the votes that may be cast on the resolution on a poll; or
- (c) the chairman.

The demand for a poll does not affect the continuation of the meeting for the transaction of other business and may be withdrawn.

17.3 When and how polls must be taken

This rule replaces section 250M of the Act.

If a poll is demanded:

- (a) if the resolution is for the adjournment of the meeting, the poll must be taken immediately and, subject to rule 17.3(c), in the manner that the chairman of the meeting directs;
- (b) in all other cases, the poll must be taken at the time and place and, subject to rule 17.3(c), in the manner that the chairman of the meeting directs;
- (c) proxy votes required to be cast in a given way must be treated as cast in that way;
- (d) a person voting who has the right to cast two (2) or more votes need not cast all those votes and may cast those votes in different ways; and
- (e) the result of the poll is the resolution of the meeting at which the poll was demanded.

The person automatically ceases to be a Secretary if the person:
